If saving is important, NVA is your best choice:

- **Lower claim costs** with aggressively negotiated provider reimbursements
- **Less FWA** (Fraud, Waste, and Abuse) via provider monitoring and auditing programs
- **Multi-Year Rate and Fee Guarantees** to provide budget stability
- **Lower Member Out-of-Pocket Expenses** by:
 - Avoiding unneeded options
 - Fixed pricing on lens options and professional services (CLFE, retinal imaging)
 - Retail/wholesale frame controls
 - Additional discounts after vision benefit exhausted
 - Value-added savings programs for discounts on contact lenses, Lasik surgery and hearing aids

You'll be in good company by choosing NVA:

See What our Health & Welfare Fund Clients Have to Say About NVA:

"We appreciate how NVA made the transition from our last vision provider so seamless. Their network is far superior than any other. We find correspondences between offices easy and seamless. Customer service is superb. We look forward to a long-lasting relationship with NVA as our vision vendor."

Frank Perri, Fund Administrator of Smart LU 38 Fund

"Having been a customer for more than 22 years, I can confidently recommend NVA to prospective clients who value a strong commitment to customer service, flexibility in plan design and competitive pricing. NVA has clearly established itself as a leader in the marketplace and is truly a valued partner of the Teamsters Local 830 Health & Welfare Fund."

Sam Kenish, Administrator of Teamsters Local 830 Health & Welfare Fund
